MEET CHEF LARA

FOUNDER & EXECUTIVE CHEF

A graduate of Le Cordon Bleu London with a Grand Diplôme, Chef Lara's cooking is influenced by her Lebanese roots, international training and years of creating food for events in Dubai.

Her style brings together familiar flavours and global influences with a modern approach — food that feels elevated without becoming overly complicated or formal.

Since founding Project Dining, Lara has built the brand around something simple:

Food should look beautiful, taste even better, and bring people together.
