# ABOUT PROJECT DINING

CATERING • EVENTS • STYLING

Founded in Dubai in 2017, Project Dining is a boutique catering and events company created by Chef Lara Jaber, bringing together thoughtfully prepared food, beautiful presentation and a personal approach to entertaining.

From intimate gatherings and private dinners to corporate events and larger celebrations, every menu is created with the same philosophy: generous food, quality ingredients and dishes people genuinely want to eat.

Our offering extends beyond catering, with event styling, grazing tables, live stations, custom cakes and personalised details available to create a complete experience.

## MEET CHEF LARA

FOUNDER & EXECUTIVE CHEF

A graduate of Le Cordon Bleu London with a Grand Diplôme, Chef Lara's cooking is influenced by her Lebanese roots, international training and years of creating food for events in Dubai.

Her style brings together familiar flavours and global influences with a modern approach — food that feels elevated without becoming overly complicated or formal.

Since founding Project Dining, Lara has built the brand around something simple:

*Food should look beautiful, taste even better, and bring people together.*
